Kid's Business Fair 2022

Each vendor will be responsible for bringing their own table or display. You can sell almost anything you'd like as long as it is child sourced - such as handmade items, crafts, games, food items, or a service that the child will provide at a later date like mowing or errands. Be aware that food items will need to be labeled in accordance to health department guidelines.

Children will need to be accompanied by their responsible adult during the duration of the fair*. Please plan to arrive a minimum of 30 minutes before the fair in order to set up your booth. We hope that this will be a fun activity to engage in entrepreneurship and learn a bit along the way!
